

There'se So many

There's so many
many many roads
but there's only one road for me

There's so many
many many guys
who've left homeland just like me

It's surely not an easy way
but it's the only way we know
leave our troubles run away
let us cry on our sorrow

Will you rock my boat will you rock ?
will you keep us in a lorry in a lock ?
Will I drown ? Will I suffocate ?
Will I freeze ? Will I meet my fate ?
X 2

There's so many
many many guys
who're seeking your paradise

There's so many
many families
who live in clandestinities

It's surely not appropriate
to wanna change our fate
it sure flares up your hate
to see me knocking on your gate
